Dave—

The Department is okay with an extension of time to respond. The 23rd will be fine.

Thanks you.

Jason:

Following up with our telephone conversation earlier today, in light of staff availability and intervening matters, I am respectfully requesting a 10-day extension to respond to the Section 114 Request. The original due date was July 13, 2018. I am requesting an extension until Monday, July 23 2018. Please advise by a response to this email if this is acceptable. Your consideration is greatly appreciated.
